MEMBERSHIP AND ACCOUNT AGREEMENT

This Agreement covers the rights and responsibilities concerning your accounts and the rights and responsibilities of Nuvision Federal Credit Union, d/b/a *Denali*. A division of Nuvision Credit Union (hereinafter "Credit Union"). In this Agreement, the words you and yours mean anyone who signs an Account Card or Account Change Card, or for whom membership and/or service requests are approved through the Credit Union's online application and authentication process. The words we, us, and our mean the credit union. The word account means any one (1) or more share or other accounts you have with the credit union.

Your account type(s) and ownership features are designated by you on your Account Card or through the Credit Union's online application and authentication process. By signing an Account Card or authenticating your request, each of you, jointly and severally, agree to the terms and conditions in this Agreement and Account Card, the Funds Availability Policy Disclosure, Truth-in-Savings Disclosure, Schedule of Fees and Charges, Electronic Funds Transfer Agreement and Disclosure, Privacy Notice Disclosure, any Account Deposit Receipt accompanying this Agreement, the credit union's bylaws and policies, and any amendments to these documents from time to time which collectively govern your membership and accounts.

1. ARBITRATION AND WAIVER OF CLASS ACTION - You and the Credit Union agree that we shall attempt to informally settle any and all disputes arising out of, affecting, or relating to your accounts, or the products or services the Credit Union has provided, will provide or has offered to provide to you, and/or any aspect of your relationship with the Credit Union (hereafter referred to as the "Claims"). If that cannot be done, then you agree that any and all Claims that are threatened, made, filed or initiated after the Effective Date (defined below) of this Arbitration and Waiver of Class Action provision ("Arbitration Agreement"), even if the Claims arise out of, affect or relate to conduct that occurred prior to the Effective Date, shall, at the election of either you or us, be resolved by binding arbitration administered by the American Arbitration Association ("AAA") in accordance with its applicable rules and procedures for consumer disputes ("Rules"), whether such Claims are in contract, tort, statute, or otherwise. The Rules can be obtained on the AAA website free of charge at www.adr.org; or, a copy of the Rules can be obtained at any Credit Union branch upon request. Either you or we may elect to resolve a particular Claim through arbitration, even if one of us has already initiated litigation in court related to the Claim, by: (a) making written demand for arbitration upon the other party, (b) initiating arbitration against the other party, or (c) filing a motion to compel arbitration in court. AS A RESULT, IF EITHER YOU OR WE ELECT TO RESOLVE A PARTICULAR CLAIM THROUGH ARBITRATION, YOU WILL GIVE UP YOUR RIGHT TO GO TO COURT TO ASSERT OR DEFEND YOUR RIGHTS UNDER THIS AGREEMENT (EXCEPT FOR CLAIMS BROUGHT INDIVIDUALLY WITHIN SMALL CLAIMS COURT JURISDICTION, SO LONG AS THE CLAIM REMAINS IN SMALL CLAIMS COURT). This Arbitration Agreement shall be interpreted and enforced in accordance with the Federal Arbitration Act set forth in Title 9 of the U.S. Code to the fullest extent possible, notwithstanding any state law to the contrary, regardless of the origin or nature of the Claims at issue. This Arbitration Agreement does not prevent you from submitting any issue relating to your accounts for review or consideration by a federal, state, or local governmental agency or entity, nor does it prevent such agency or entity from seeking relief on your behalf.

- a. **Selection of Arbitrator.** The Claims shall be resolved by a single arbitrator. The arbitrator shall be selected in accordance with the Rules, and must have experience in the types of financial transactions at issue in the Claims. In the event of a conflict between the Rules and this Arbitration Agreement, this Arbitration Agreement shall supersede the conflicting Rules only to the extent of the inconsistency. If AAA is unavailable to resolve the Claims, and if you and we do not agree on a substitute forum, then you can select the forum for the resolution of the Claims.
- b. **Effective Date.** This Arbitration Agreement is effective upon the 61st day after we provide it to you ("Effective Date"), unless you opt-out in accordance with the requirements of the RIGHT TO OPT-OUT provision below.
- c. **Arbitration Proceedings.** The arbitration shall be conducted within 50 miles of your residence at the time the arbitration is commenced. Any claims and defenses that can be asserted in court can be asserted in the arbitration. The Arbitrator shall be

entitled to award the same remedies that a court can award, including public injunctive relief under the California Unfair Competition Law and Consumer Legal Remedies Act. Discovery shall be available for non-privileged information to the fullest extent permitted under the Rules. The Arbitrator's award can be entered as a judgment in court. Except as provided in applicable statutes, the arbitrator's award is not subject to review by the court and it cannot be appealed. The Credit Union shall pay for any filing, administration, and arbitrator fees imposed on you by the AAA. However, you will be responsible for your own attorneys' fees, unless you prevail on your Claim in the arbitration, in which case, we will pay your attorneys' fees. However, if the Credit Union prevails, then you will not be required to pay its attorneys' fees and costs. Any determination as to whether this Arbitration Agreement is valid or enforceable in part or in its entirety will be made solely by the arbitrator, including without limitation any issues relating to whether a Claim is subject to arbitration; provided, however, the enforceability of the Class Action Waiver set forth below shall be determined by the Court.

- d. **Class Action Waiver.** ANY ARBITRATION OF A CLAIM WILL BE ON AN INDIVIDUAL BASIS. YOU UNDERSTAND AND AGREE THAT YOU ARE WAIVING THE RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR CLASS MEMBER IN A CLASS ACTION LAWSUIT.
- e. **Severability.** In the event the Class Action Waiver in this Arbitration Agreement is found to be unenforceable for any reason, the remainder of this Arbitration Agreement shall also be unenforceable. If any provision in this Arbitration Agreement, other than the Class Action Waiver, is found to be unenforceable, the remaining provisions shall remain fully enforceable.
- f. **Right to Opt-Out.** You have the right to opt-out of this Arbitration Agreement provided you notify the Credit Union of your intent to do so within 60 days after it is provided to you. Your opt-out is only effective if you notify the Credit Union in writing at Attention Payment and Deposit Services 7812 Edinger Ave. Huntington Beach, CA 92647 within such 60 day time period. If you fail to opt-out within this 60 day time period, you will be deemed to have consented to the resolution of your Claims through binding arbitration. In the event you opt-out, it shall not affect other terms and conditions of your Agreement or your relationship with the Credit Union.

FOR MORE DETAILS or if you have questions, you may call us or visit a branch. If you have questions about AAA procedures, you should check AAA's website, www.adr.org, OR call AAA at (800) 778-7879.

2. MEMBERSHIP ELIGIBILITY – To join the credit union you must meet the membership requirements including purchase and maintenance of the minimum required share(s) ("membership share") as set forth in the credit union's bylaws. You authorize us to check your account, credit and employment history, and obtain reports from third parties, including credit reporting agencies, to verify your eligibility for the accounts and services you request.

3. INDIVIDUAL ACCOUNTS – An individual account is an account owned by one (1) member (individual, corporation, partnership, trust or other organization) qualified for credit union membership. If the account owner dies, the interest passes, subject to applicable law, to the account owner's estate or Payable on Death (POD) beneficiary/ payee or trust beneficiary, subject to other provisions of this Agreement governing our protection for honoring transfer and withdrawal requests of an owner or owner's agent prior to notice of an owner's death and to any security interest or pledge granted by the account owner and subject to our statutory lien rights.

4. JOINT ACCOUNTS – A joint account is an account owned by two (2) or more persons.

- a. **Rights of Survivorship.** Unless otherwise stated on the Account Card or documented through the Credit Union's online application and authentication process, a joint account includes rights of survivorship. This means when one (1) owner dies, all sums in the account will pass to the surviving owner(s). For a joint account without rights of survivorship, the deceased owner's interest passes to his or her estate. A surviving owner's interest is subject to the credit union's statutory lien for the deceased owner's obligations, and to any security interest or pledge granted by a

(continued)

deceased owner, even if a surviving owner did not consent to it.

- b. Control of Joint Accounts.** Any owner is authorized and deemed to act for any other owner(s) and may instruct us regarding transactions and other account matters. Each owner guarantees the signature or authenticated request of any other owner(s). Any owner may withdraw all funds, stop payment on items, transfer, or pledge to us all or any part of the shares without the consent of the other owner(s). We have no duty to notify any owner(s) about any transaction. We reserve the right to require written consent of all owners for any change to or termination of an account. If we receive written notice of a dispute between owners or inconsistent instructions from them, we may suspend or terminate the account and require a court order or written consent from all owners to act.
- c. Joint Account Owner Liability.** If an item deposited in a joint account is returned unpaid, a joint account is overdrawn, or if we do not receive final payment on a transaction, the owners, jointly and severally, are liable to us for the amount of the returned item, overdraft, or unpaid amount and any charges, regardless of who initiated or benefited from the transaction. If any account owner is indebted to us, we may enforce our rights against any account of the indebted owner, including all funds in the joint account regardless of who contributed the funds in the account.

5. POD/TRUST ACCOUNT DESIGNATIONS – A Payable on Death (POD) account or trust account designation is an instruction to the credit union that an individual or joint account so designated is payable to the owner(s) during his, her or their lifetimes and, when the last account owner dies, payable to all and surviving POD or trust beneficiaries/payees. If there is more than one (1) surviving beneficiary/payee, the account is owned jointly by such beneficiaries/payees without rights of survivorship upon the death of the last account owner. Any POD or trust beneficiary/payee designation shall not apply to Individual Retirement Accounts (IRAs). We are not obligated to notify any beneficiary/payee of the existence of any account or the vesting of the beneficiary/payee's interest in any account, except as otherwise provided by law. This paragraph does not apply to an account held on behalf of or held in the name of a trust.

6. ACCOUNTS FOR MINORS – We may require any account established by a minor to be a joint account with an owner who has reached the age of majority under state law and who shall be jointly and severally liable to us for any returned item, overdraft, or unpaid charges or amounts on such account. We may pay funds directly to the minor without regard to his or her minority. Unless a guardian or parent is an account owner, the guardian or parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction. We will not change the account status when the minor reaches the age of majority unless authorized in writing by all account owners.

7. AGENCY DESIGNATION ON AN ACCOUNT – An agency designation on an account is an instruction to us that the owner authorizes another person to make transactions as agent for the account owner regarding the accounts designated. An agent has no ownership interest in the account(s) or credit union voting rights. We have no duty to inquire about the use or purpose of any transaction made by the agent.

8. DEPOSIT OF FUNDS REQUIREMENTS – Funds may be deposited to any account, in any manner approved by the credit union in accordance with the requirements as set forth in the Truth-in-Savings Disclosure. Deposits made by mail, at night depositories or at unstaffed facilities are not our responsibility until we receive them. We reserve the right to refuse or to return any deposit.

- a. Endorsements.** We may accept transfers, checks, drafts, and other items for deposit into any of your accounts if they are made payable to, or to the order of, one (1) or more account owners even if they are not endorsed by all payees. You authorize us to supply missing endorsements of any owners if we choose. If a check, draft or item that is payable to two (2) or more persons is ambiguous as to whether it is payable to either or both, we may process the check, draft or item as though it is payable to either person. If an insurance, government, or other check or draft requires an endorsement, we may require endorsement as set forth on the item. Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. However, any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you or any prior

endorser will be your responsibility.

- b. Collection of Items.** We act only as your agent and we are not responsible for handling items for deposit or collection beyond the exercise of ordinary care. We are not liable for the negligence of any correspondent or for loss in transit, and each correspondent will only be liable for its own negligence. We may send any item for collection. Items drawn on an institution located outside the United States are handled on a collection basis only. You waive any notice of nonpayment, dishonor, or protest regarding items we purchase or receive for credit or collection to your account. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payor financial institution extra time beyond any midnight by next banking day deadline limits.
- c. Restrictive Legends.** Some checks and drafts contain restrictive legends or similar limitations on the front of the item. Examples of restrictive legends include "two signatures required", "void after 60 days" or "not valid over \$500." We are not liable for payment of any check or draft contrary to a restrictive legend or other limitation contained in or on the item unless we have specifically agreed in writing to the restrictions or limitations.
- d. Final Payment.** All items or Automated Clearing House (ACH) transfers credited to your account are provisional until we receive final payment. If final payment is not received, we may charge your account for the amount of such items or ACH transfers and impose a return item charge on your account. Any collection fees we incur may be charged to your account. We reserve the right to refuse or return any item or funds transfer.
- e. Direct Deposits.** We may accept pre-authorized deposits (e.g., payroll checks, Social Security or retirement checks, or other government checks) or preauthorized transfers from other accounts. You must authorize direct deposits or preauthorized transfers by filling out a separate form. You must notify us at least 30 days in advance to cancel or change a direct deposit or transfer option. If your account is overdrawn, you authorize us to deduct the amount your account is overdrawn from any deposit, including deposits of government payments or benefits. If we are required to reimburse the U.S. Government for any benefit payment directly deposited into your account, we may deduct the amount returned from any of your accounts, unless prohibited by law.
- f. Crediting of Deposits.** Deposits made after the deposit cut-off time and deposits made on either holidays or days that are not our business days will be credited to your account on the next business day.

9. ACCOUNT ACCESS –

- a. Authorized Signature.** Your signature on the Account Card, or authentication and approval of your account, authorizes your account access. We will not be liable for refusing to honor any item or instruction if we believe the signature is not genuine. If you have authorized the use of a facsimile signature, we may honor any check or draft that appears to bear your facsimile signature even if it was made by an unauthorized person. You authorize us to honor transactions initiated by a third person to whom you have given your information even if you do not authorize a particular transaction.
- b. Access Options.** You may withdraw or transfer funds from your account(s) in any manner we permit (e.g., at an automated teller machine, in person, by mail, internet access, automatic transfer, or telephone, as applicable). We may return as unpaid any check or draft drawn on a form we do not provide, and you are responsible for any loss we incur handling such a check or draft. We have the right to review and approve any form of power of attorney and may restrict account withdrawals or transfers. We may refuse to honor a power of attorney if our refusal is conducted in accordance with applicable state law.
- c. Credit Union Examination.** We may disregard information on any check other than the signature of the drawer, the amount and any magnetic encoding. You agree we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for sight examination of items.

10. FUND TRANSFERS – Except as amended by this Agreement, electronic funds transfers we permit that are subject to Article 4A of

(continued)

the Uniform Commercial Code will be subject to such provisions of the Uniform Commercial Code as enacted by the state where the main office of the credit union is located. We may execute certain requests for electronic funds transfers by Fedwire. Fedwire transactions are subject to Federal Reserve Board Regulation J. You may order electronic funds transfers to or from your account. We will debit your account for the amount of an electronic funds transfer and will charge your account for any fees related to the transfer. Unless we agree otherwise in writing, we reserve the right to refuse to execute any order to transfer funds to or from your account. We are not obligated to execute any order to transfer funds out of your account if the amount of the requested transfer plus applicable fees exceeds the available funds in your account. We are not liable for errors, delays, interruptions or transmission failures caused by third parties or circumstances beyond our control including mechanical, electronic or equipment failure. We will not provide you with next day notice of ACH, wire transfers and other electronic payments credited to your account. You will receive notice of such credits on your account statements. You may contact us to determine whether a payment has been received. If we fail to properly execute a payment order, and such action results in a delay in payment to you, we will pay you dividends or interest for the period of delay as required by applicable law. The dividends or interest paid to you will be based on the lowest nominal dividend or interest rate we were paying on any account during that period. Payment orders we accept will be executed within a reasonable time of receipt but may not necessarily be executed on the date they are received. Cut-off times may apply to the receipt, execution and processing of funds transfers, payment orders, cancellations, and amendments and, if received after a cut-off time, may be treated as having been received on the next following funds transfer business day. Information about any cut-off times is available upon request. From time to time, we may need to suspend processing of a transaction for greater scrutiny or verification in accordance with applicable law, and this action may affect settlement or availability of the transaction. When you initiate a wire transfer, you may identify the recipient and any financial institution by name and by account or identifying number. The credit union and any other financial institutions facilitating the transfer may rely strictly on the account or identifying number even if the number identifies a different person or financial institution. Any account owner may amend or cancel a payment order even if that person did not initiate the order. We may refuse requests to amend or cancel a payment order that we believe will expose the credit union to liability or loss. Any request to amend or cancel a payment order that we accept will be processed within a reasonable time after it is received. You agree to hold us harmless from and indemnify us for all losses and expenses resulting from any actual or attempted amendment or cancellation of a payment order. We may require you to follow a security procedure to execute a payment order or certain electronic funds transfer transactions. We will notify you of any such security procedures. Unless we permit you to establish a different security procedure, you agree that the security procedures contained in the Credit Union's policies, of which we have notified you, are commercially reasonable methods of verification of payment orders and other electronic fund transfers. If we permit you to establish a different security procedure, you agree that procedure is a commercially reasonable method of verifying electronic fund transfers. If we conduct a remittance transfer(s) on your behalf acting as a remittance transfer provider, such transactions will be governed by 12 C.F.R. part 1005, subpart B—Requirements for remittance transfers. A "remittance transfer" is an electronic transfer of funds of more than \$15.00 which is requested by a sender and sent to a designated recipient in a foreign country that is sent by a remittance transfer provider. Terms applicable to such transactions may vary from those disclosed herein and will be disclosed to you at the time such services are requested and rendered in accordance with applicable law.

11. ACCOUNT RATES AND FEES – We pay account earnings and assess fees against your account as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges. We may change the Truth-in-Savings Disclosure or Schedule of Fees and Charges at any time and will notify you as required by law.

12. TRANSACTION LIMITATIONS –

a. Withdrawal Restrictions. We will pay checks, permit withdrawals and make transfers from available funds in your account. The availability of funds in your account may be delayed as described in our Funds Availability Policy Disclosure. We may also pay checks, permit withdrawals and make transfers from your account

from insufficient available funds if you have established an overdraft protection plan or, if you do not have such a plan with us, according to our overdraft payment policy. We may refuse to allow a withdrawal in some situations, and will advise you accordingly: for example, (1) a dispute between account owners (unless a court has ordered the credit union to allow the withdrawal); (2) a legal garnishment or attachment is served; (3) the account secures any obligation to us; (4) required documentation has not been presented; or (5) you fail to repay a credit union loan on time. We may require you to give written notice of seven (7) days to 60 days before any intended withdrawals.

b. Transfer Limitations. We may limit the dollar amount or the number of transfers from your account. Please consult your Truth-in-Savings Disclosure or your Electronic Funds Transfer Agreement and Disclosure.

13. CERTIFICATE ACCOUNTS – Any term share or share certificate account allowed by state law (certificate account), whichever we offer, is subject to the terms of this Agreement, the Truth-in-Savings Disclosure and Account Deposit Receipt for each account, the terms of which are incorporated herein by reference.

14. OVERDRAFTS –

a. Payment of Overdrafts. If available funds in your share or deposit account are not sufficient to pay the full amount of a check, transaction, or other item presented for payment, plus any applicable fee(s), we may return the item or pay it, as described below. The Credit Union's determination of an insufficient available account balance may be made at any time between presentation and the Credit Union's midnight deadline with only one review of the account required. Please see the section entitled "Your Account Balances" below for further information as to how to determine and manage your account balance and available balance. We do not have to notify you if your account does not have sufficient available funds in order to pay an item. Your account may be subject to a charge for each item regardless of whether we pay or return the item.

We offer standard overdraft services (also referred to as "Bounce! Protection" program), this service allows us to authorize payment for the following types of transactions if your share or deposit account has insufficient funds: (1) checks and other transactions made using your checking account, except as otherwise described below; (2) automatic bill payments; (3) and ACH transactions. For ATM and one-time debit card transactions, you must affirmatively consent to such coverage. Without your consent, the Credit Union may not authorize and pay an ATM or one-time debit card transaction that will result in insufficient funds in your account. If you have established a service linking your share or deposit account with other individual or joint accounts, you authorize us to transfer funds from another account of yours to cover an insufficient item, including transfers from a share or deposit account, an overdraft line-of-credit account, or other account you so designate. Services, terms & conditions, and fees for these transactions are explained on your affirmative consent form and the Schedule of Fees and Charges.

Except as otherwise agreed in writing, if we exercise our right to use our discretion to pay such items that result in an insufficiency of funds in your account, we do not agree to pay them in the future and may discontinue coverage at any time without notice. If we pay these items or impose a fee that results in insufficient available funds in your account, you agree to pay the insufficient available amount, including the fee assessed by us, in accordance with our standard overdraft services or any other service you may have authorized with us or, if you do not have such protections with us, in accordance with any overdraft payment policy we have, as applicable.

b. Your Account Balance. Your account has two kinds of balances: the "actual" balance and the "available" balance. Both can be checked when you review your account online, at a Credit Union-owned ATM, by phone, or at a branch. It is important to understand how the two balances work so that you know how much money is in your account at any given time. This section explains actual and available balances and how they work.

Your actual balance is the amount of money that is actually in your account at any given time, but not all funds included in the actual balance are considered available for transactions on your account. The

(continued)

actual balance is also referred to as (a) your Total Balance on Credit Union ATM screens; (b) your Current balance in Online Banking and in Mobile Banking; and (c) your current balance when you use our automated telephone banking system. Your actual balance reflects transactions that have posted to your account, but not transactions that have been authorized and are pending or pending deposits that are subject to holds under our Funds Availability Policy. While the term "actual" may sound as though the number you see is an up-to-date indication of what is in your account that you can spend, that is not always the case. Your actual balance will not reflect any purchases, holds, fees, other charges, or deposits made on your account that have not yet posted. For example, if you have a \$50 actual balance, but you just wrote a check for \$40, then your actual balance is \$50 but it does not reflect the pending check transaction. So at that point, you have an actual balance of \$50, but you have already spent \$40.

Your available balance is the amount of money in your account that is available to you to use without incurring an overdraft or Bounce! Protection fee except as further described herein. The available balance takes into account factors such as holds placed on deposits and pending transactions (such as pending debit card purchases) that the Credit Union has authorized but that have not yet posted to your account. For example, assume you have an actual balance of \$50 and an available balance of \$50. If you were to use your debit card at a restaurant to buy lunch for \$20, then that merchant could ask us to pre-authorize the payment in that amount (or even a different amount). Under this example, if the merchant requested preauthorization in the amount of \$20, we will place a "hold" on your account for \$20 (referred to as an "authorization hold"). Your actual balance would still be \$50 because this transaction has not yet posted, but your available balance would be \$30 because of the restaurant's preauthorization request that resulted in an authorization hold on \$20 in your account. When the restaurant submits its bill for payment (which could be a few days later and for a different amount than the amount of the authorization hold), we will release the authorization hold, post the transaction to your account, and reduce your actual balance by the amount of the posted transaction.

We use your available balance at the time a transaction posts to determine whether your account is overdrawn. Your account is considered overdrawn when the available balance in your account is negative (less than \$0). The following example illustrates how this works:

Assume your actual and available balance are both \$50, and you use your debit card at a restaurant for \$20. If the restaurant requests preauthorization in the amount of \$20, an authorization hold is placed on \$20 in your account, so your available balance is only \$30. Your actual balance would remain \$50. Before the restaurant charge is sent to us for payment, a check that you wrote for \$40 clears. Because your available balance is only \$30 (due to the authorization hold of \$20), your account will be overdrawn by \$10, even though your actual balance is \$50. In this case, we may pay the \$40 check, but you will be charged a Bounce! Protection fee as disclosed in our *Schedule of Fees and Charges*. That fee will be deducted from your account, further increasing the overdrawn amount. In addition, when the restaurant charge is finally submitted to us for payment, we will release the authorization hold and pay the transaction amount (which may be \$20 or even a different amount, for example, if you added a tip) to the restaurant. Because the amount of the restaurant charge exceeded your available balance at the time the restaurant charge "settled" (i.e., posted to your account), we will charge you an additional Bounce! Protection fee, even though the restaurant transaction was authorized and approved with a sufficient available balance.

YOU ACKNOWLEDGE THAT YOU MAY STILL OVERDRAW YOUR ACCOUNT EVEN THOUGH THE AVAILABLE BALANCE APPEARS TO SHOW THERE ARE SUFFICIENT FUNDS TO COVER A TRANSACTION THAT YOU WANT TO MAKE. This is because your available balance may not reflect all your outstanding checks, automatic bill payments that you have authorized, or other outstanding transactions that have not yet been paid from your account.

Also, your available balance may not reflect all of your debit card transactions. For example, if a merchant obtains our prior authorization but does not submit a one-time debit card transaction for payment within three (3) business days of authorization (or for up to thirty (30) business days for certain types of debit card transactions, including but not limited to car rental transactions and international transactions), we must release the authorization hold on the transaction. The available

balance will not reflect this transaction once the hold has been released, which generally occurs when the transaction has been received by us and paid from your account. Refer to the section entitled "Authorization Holds for Debit Card Transactions" below for information about how authorization holds affect your available balance.

c. Authorization Holds for Debit Card Transactions. When you use your debit card to pay for goods or services, the merchant may seek preauthorization from us for the transaction. When we preauthorize the transaction, we commit to make the requested funds available when the transaction finally posts and as such, we generally place a temporary hold against some or all of the funds in the account linked to your debit card, based on the amount of the preauthorization request from the merchant. We refer to this temporary hold as an "authorization hold," and the amount of the authorization hold will be subtracted from your available balance as authorization requests are received by us throughout each day. Until the transaction finally settles or we otherwise remove the hold (for example, we may remove the hold because it exceeds the time permitted, as discussed below, or we determine that it is unlikely to be processed), the funds subject to the hold will not be available to you for other purposes. At some point after you authorize for the transaction, it is processed by the merchant and submitted to us for payment. This can happen hours or sometimes days after you authorized it, depending on the merchant and its processing company. These payment requests are received in real time throughout the day and are posted to your account as they are received.

The amount of an authorization hold may differ from the actual transaction amount because the actual transaction amount may not yet be known to the merchant when the authorization request is submitted. For example, this can happen in connection with transactions where your debit card is swiped before your actual transaction amount is known, such as at a restaurant or gas station (e.g., at a restaurant, you may choose to add a tip to the transaction amount). For these types of transactions, there may be no authorization hold, or the amount of the authorization hold may be different from the transaction amount. In some other cases we may not receive an authorization request from the merchant, and there will be no authorization hold reflected in your available balance. We cannot control how much a merchant asks us to authorize, or when a merchant submits a transaction for payment.

We are permitted to place an authorization hold on your account for up to three (3) business days (or for up to thirty (30) business days for certain types of debit card transactions) from the time of the authorization or until the transaction is paid from your account. However, if the transaction is not submitted for payment, we will release the authorization hold, which will increase your available balance until the transaction is submitted for payment by the merchant and finally posted to your account. If this happens, we must honor the prior authorization and will pay the transaction from your account. In certain instances, when the amount of the authorization hold is either more or less than the amount of the actual transaction, we may maintain the authorization hold even after the purchase amount is actually paid from your account. However, in these instances, we will not maintain an authorization hold for longer than three (3) business days (or for up to thirty (30) business days for certain transactions).

d. Order of Payments. There are basically two types of transactions in your account: credits or deposits of money into your account, and debits or payments out of your account. It is important to understand how each is applied to your account so that you know how much money you have and how much is available to you at any given time. This section explains generally how and when we post transactions to your account.

We can receive credit and debit transactions in different forms at various times each business day. We reserve the right to determine the timing and order in which such transactions are posted to your account to the extent permitted by law. We determine the order in which we process and post credits and debits to your account based on a number of factors.

We may pay or authorize some transactions, and decline or return others, in any order we deem appropriate to the extent permitted by law. When the available balance in your account is not sufficient to cover all of the transactions presented that day, some posting orders

(continued)

can result in more returned items and more overdraft and returned item fees than other posting orders.

Some items are received by us individually and others are received in batches at various times each business day. Items that we currently receive individually include ATM withdrawals, point-of-sale (POS) transactions, and teller transactions. These individual items are generally posted to your account as they are received by us each business day. Items that we currently receive in batches include checks drawn on your account presented by other financial institutions, "on us" checks, and ACH and debit card transactions. We generally post batched transactions as they are received throughout each business day, in the order received (subject to certain exceptions).

The order in which items are posted to your account will depend on a number of factors. For example, in connection with our item posting process, we reserve the right to: (i) establish different categories of items, (ii) establish a posting order for each category of item(s), (iii) establish different posting orders for items within each category, and (iv) change the timing of when items are posted during the day and whether they are posted individually or in batches. Except to the extent limited by applicable law, we have the right to change any of the factors described in (i), (ii), (iii) and (iv) listed above at any time without notice to you. Please contact us if you have questions about how we pay checks and process transfers and withdrawals.

e. We may Return Items Unpaid. We are not obligated to pay any item presented for payment if your account does not contain sufficient available funds. If we do not authorize and pay an overdraft, then we decline or return the transaction or item unpaid and charge a related fee as stated in our Schedule of Fees and Charges. You are responsible for ensuring that your account includes sufficient available funds to pay the transactions you initiate or authorize when they are processed for payment from your account, and you also acknowledge that the timing of when merchants or payees submit transactions to us for payment may vary.

If your account does not have sufficient available funds when a transaction or item is presented to us for payment and, as a result, returned unpaid, the merchant or payee of your transaction or item may choose to resubmit the same transaction, and may do so multiple times; this may also occur when you initiate transfers and payments through our Credit Union Online Banking or Bill Payment Services and your account lacks sufficient available funds at the time the transaction is scheduled to occur, as we may decline the transaction, charge a fee, and then resubmit the same transaction at a later time in an attempt to process your requested transaction. In the event a transaction or item is resubmitted for payment at a time when your account lacks sufficient available funds to pay it and we decline it, we will charge a related fee each time that same transaction is returned unpaid.

15. POSTDATED AND STALEDATED CHECKS – You agree not to issue any check that is postdated. If you do issue a check that is payable on a future date and we pay it before that date, you agree that we shall have no liability to you for such payment. You agree not to deposit checks, or other items before they are properly payable. We are not obligated to pay any check drawn on your account that is presented more than six (6) months past its date.

16. STOP PAYMENT ORDERS –

a. Stop Payment Order Request. Any owner may request a stop payment order on any check drawn on the owner's account. To be binding the order must be in writing, dated, signed, and must accurately describe the check including the exact account number, check number and the exact amount of the check or draft. This exact information is necessary for the credit union's computer to identify the check. If we receive incorrect or incomplete information, we will not be responsible for failing to stop payment on the check. In addition, we must receive sufficient advance notice of the stop payment order to allow us a reasonable opportunity for us to act on it. If we re-credit your account after paying a check or draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to assign to us all of your rights against the payee or other holders of the check or draft and to assist us in any legal action. For stop payments on pre-authorized transfers, please see Electronic Funds Transfer Disclosure.

b. Duration of Order. Oral stop payment orders for checks will lapse within 14 calendar days unless confirmed in writing within that

time. Written stop payment orders for checks are effective for six (6) months and may be renewed for additional six (6) month periods by requesting in writing that the stop payment order be renewed within a period during which the stop payment order is effective. We are not required to notify you when a stop payment order expires.

c. Liability. Fees for stop payment orders are set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges. You may not stop payment on any certified check, cashier's check, teller's check, or any other check, or payment guaranteed by us. Although payment of an item may be stopped, you may remain liable to any item holder, including us. You agree to indemnify and hold the credit union harmless from all costs, including attorney's fees, damages or claims related to our refusing payment of an item, including claims of any joint account owner, payee, or endorsee in failing to stop payment of an item as a result of incorrect information provided by you.

17. CREDIT UNION LIABILITY – If we do not properly complete a transaction according to this Agreement, we will be liable for your losses or damages not to exceed the amount of the transaction, except as otherwise provided by law. We will not be liable if: (1) your account contains insufficient funds for the transaction; (2) circumstances beyond our control prevent the transaction; (3) your loss is caused by your or another financial institution's negligence; or (4) your account funds are subject to legal process or other claim. We will not be liable for consequential damages, except liability for wrongful dishonor. We exercise ordinary care if our actions or non-actions are consistent with applicable state law, Federal Reserve regulations and operating letters, clearinghouse rules, and general financial institution practices followed in the area we serve. You grant us the right, in making payments of deposited funds, to rely exclusively on the form of the account and the terms of this Agreement. Any conflict between what you or our employees may say or write will be resolved by reference to this Agreement.

18. CHECKS PRESENTED FOR PAYMENT IN PERSON – We may refuse to accept any check drawn on your account that is presented for payment in person. Such refusal shall not constitute a wrongful dishonor of the check and we shall have no liability for refusing payment. If we agree to cash a check or draft that is presented for payment in person, we may require the presenter to pay a fee. Any applicable check or draft cashing fees are stated in the Schedule of Fees and Charges.

19. REMOTELY CREATED CHECKS – For purposes of this paragraph, "account" means a transaction account, credit account, and any other account on which checks may be drawn. A remotely created check is a check created by someone other than the person on whose account the check is drawn. A remotely created check is generally created by a third party payee as authorized by the owner of the account on which the check is drawn. Authorization is usually made over the telephone or through on-line communication. The owner of the account does not sign a remotely created check. In place of the owner's signature, the remotely created check usually bears a statement that the owner authorized the check or bears the owner's printed or typed name. If you authorize a third party to draw a remotely created check against your account, you may not later revoke your authorization. It is your responsibility to resolve any authorization issues directly with the third party. We are not required to credit your account and may charge against your account any remotely created check for which the third party has proof of your authorization.

20. PLEDGE/STATUTORY LIEN – Unless prohibited by law, you pledge and grant as security for all obligations you may have now or in the future, except obligations secured by your principal residence, all shares and dividends and all deposits and interest, if any, in all accounts you have with us now and in the future. If you pledge a specific dollar amount in your account for a loan, we will freeze the funds in your account(s) to the extent of the outstanding balance of the loan or, if greater, the amount of the pledge if the loan is a revolving loan. Otherwise, funds in your pledged account(s) may be withdrawn unless you are in default. Federal or state law, depending upon whether we have a federal or state charter, gives us a lien on all shares and dividends and all deposits and interest, if any, in accounts you have with us now and in the future. Except as limited by state or federal law, the statutory lien gives us the right to apply the balance of all your accounts to any obligation on

(continued)

which you are in default. After you are in default, we may exercise our statutory lien rights without further notice to you.

Your pledge and our statutory lien rights will allow us to apply the funds in your account to what you owe when you are in default, except as limited by state or federal law. If we do not apply the funds in your account(s) to satisfy your obligation, we may place an administrative freeze on your account(s) in order to protect our statutory lien rights and may apply the funds in your account(s) to the amount you owe us at a later time. The statutory lien and your pledge do not apply to any Individual Retirement Account or any other account that would lose special tax treatment under state or federal law if given as security. By not enforcing our right to apply funds in your account to your obligations that are in default, we do not waive our right to enforce these rights at a later time.

21. LEGAL PROCESS – If any legal action is brought against your account, we may pay out funds according to the terms of the action or refuse any payout until the dispute is resolved, as permitted by law. Any expenses or attorney fees we incur responding to legal process may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our lien and security interest.

22. ACCOUNT INFORMATION – Upon request, we will give you the name and address of each agency from which we obtain a credit report regarding your account. We agree not to disclose account information to third parties except when: (1) it is necessary to complete a transaction; (2) the third party seeks to verify the existence or condition of your account in accordance with applicable law; (3) such disclosure complies with the law or a government agency or court order; or (4) you give us written permission.

23. NOTICES –

- a. Name or Address Changes.** You are responsible for notifying us of any address or name change. The credit union is only required to attempt to communicate with you at the most recent address you have provided to us. We may require all name and address changes to be provided in writing. If we attempt to locate you, we may impose a service fee as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges.
- b. Notice of Amendments.** Except as prohibited by applicable law, we may change the terms of this Agreement. We will notify you of any change in terms, rates, or fees as required by law. We reserve the right to waive any term in this Agreement. Any such waiver shall not affect our right to future enforcement.
- c. Effect of Notice.** Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is deposited in the U.S. mail, postage prepaid and addressed to you at your statement mailing address. Notice to any account owner is considered notice to all account owners.
- d. Electronic Notices.** If you have consented to receive notices electronically, we may send you notices electronically and discontinue mailing paper notices to you until you notify us that you wish to reinstate receiving paper notices.

24. TAXPAYER IDENTIFICATION NUMBERS AND BACKUP WITHHOLDING – Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other requirements may result in backup withholding. If your account is subject to backup withholding, we must withhold and pay to the Internal Revenue Service (IRS) a percentage of dividends interest, and certain other payments. If you fail to provide your TIN, we may suspend opening your account.

25. STATEMENTS –

- a. Contents.** If we provide a periodic statement for your account, you will receive a periodic statement of transactions and activity on your account during the statement period as required by applicable law. If a periodic statement is provided, you agree that only one (1) statement is necessary for joint accounts. For share draft or checking accounts, you understand and agree that your original check or draft, when paid, becomes property of the credit union and may not be returned to you, but copies may be retained by us or be payable through financial institutions and made available upon your request. You understand and agree that statements are made available to you on the date they are sent to you or made available to you through Online Banking. You also understand and agree that checks, drafts or copies thereof

are made available to you on the date the statement is sent to you or made available to you through Online Banking, even if the checks or drafts do not accompany the statement.

- b. Examination.** You are responsible for promptly examining each statement upon receiving it and reporting any irregularities to us. If you fail to report any irregularities such as forged, altered, unauthorized, unsigned, or otherwise fraudulent items drawn on your account, erroneous payments or transactions, or other discrepancies reflected on your statement within 30 days of receiving your statement, we will not be responsible for your loss. We also will not be liable for any items that are forged or altered in a manner not detectable by a reasonable person, including the unauthorized use of a facsimile signature machine.
- c. Notice to Credit Union.** You agree that the credit union's retention of checks or drafts does not alter or waive your responsibility to examine your statements or the time limit for notifying us of any errors. The statement will be considered correct for all purposes and we will not be liable for any payment made or charged to your account unless you notify us in writing within the above time limit for notifying us of any errors. If you fail to receive a periodic statement, you agree to notify us within 14 days of the time you regularly receive a statement.

26. DORMANT ACCOUNTS – Your account will be considered dormant if there has been no member initiated monetary transaction or member contact for twelve (12) months or more. We may charge a monthly dormant fee on any account with no activity.

27. INACTIVE ACCOUNTS – If your account falls below any applicable minimum balance and you have not made any transactions over a period specified in the Truth-in-Savings Disclosure or Schedule of Fees and Charges, we may classify your account as inactive or dormant. Unless prohibited by applicable law, we may charge a service fee, as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges, for processing your inactive account. If we impose a fee, we will notify you, as required by law, at your last known address. You authorize us to transfer funds from another account of yours to cover any service fees, if applicable. To the extent allowed by law, we reserve the right to transfer the account funds to an account payable and to suspend any further account statements. If a deposit or withdrawal has not been made on the account and we have had no other sufficient contact with you within the period specified by state law, the account will be presumed to be abandoned. Funds in abandoned accounts will be reported and remitted in accordance with state law. Once funds have been turned over to the state, we have no further liability to you for such funds and if you choose to reclaim such funds, you must apply to the appropriate state agency.

28. SPECIAL ACCOUNT INSTRUCTIONS – You may request that we facilitate certain trust, will, or court-ordered account arrangements. However, because we do not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. If you ask us to follow any instructions that we believe might expose us to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require you to indemnify us or post a bond or provide us with other protection. Account changes requested by you, or any account owner, such as adding or closing an account or service, must be evidenced by a subsequently signed and dated Account Card or other document which evidences a change to an account and accepted by us.

29. TERMINATION OF ACCOUNT – We may terminate your account at any time without notice to you or may require you to close your account and apply for a new account if: (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account; (3) there is a dispute as to the ownership of the account or of the funds in the account; (4) any checks or drafts are lost or stolen; (5) there are excessive returned unpaid items not covered by an overdraft protection plan; (6) there has been any misrepresentation or any other abuse of any of your accounts; or (7) we reasonably deem it necessary to prevent a loss to us. You may terminate an individual account by giving written notice. We reserve the right to require the consent of all owners to terminate a joint account. We are not responsible for payment of any check, draft, withdrawal, or other item after your account is terminated; however, if we pay an item after

(continued)

termination, you agree to reimburse us.

30. TERMINATION OF MEMBERSHIP – You may terminate your membership by giving us written notice or by withdrawing your minimum required membership share, if any, and closing all your accounts. You may be denied services for causing a loss to the credit union or you may be expelled for any reason as allowed by applicable law.

31. DEATH OF ACCOUNT OWNER – We may continue to honor all transfer orders, withdrawals, deposits and other transactions on an account until we know of a member's death. Once we know of a member's death, we may pay checks or drafts or honor other payments or transfer orders authorized by the deceased member for a period of ten (10) days after that date unless we receive instructions from any person claiming an interest in the account to stop payment on the checks, drafts or other items. We may require anyone claiming a deceased owner's account funds to indemnify us for any losses resulting from our honoring that claim. This Agreement will be binding upon any heirs or legal representatives of any account owner. Following the death of an account owner, the Credit Union may require that the account(s) held in the decedent's name are closed, even when a surviving joint owner has been established on the account(s). The surviving joint owner(s) may be required to apply and qualify for membership with the Credit Union in his/her own right and to establish and maintain valid membership with the Credit Union in order to re-establish account(s).

32. UNLAWFUL INTERNET GAMBLING AND OTHER ILLEGAL ACTIVITIES – You agree that you are not engaged in unlawful Internet gambling or any other illegal activity. You agree that you will not use any of your accounts, access devices or services for unlawful Internet gambling or other illegal activities. We may terminate your account relationship if you engage in unlawful Internet gambling or other illegal activities.

33. SEVERABILITY – If a court holds any portion of this Agreement to be invalid or unenforceable, the remainder of this Agreement shall not be invalid or unenforceable and will continue in full force and effect. All headings are intended for reference only and are not to be construed as part of the Agreement.

34. ENFORCEMENT – You are liable to us for any losses, costs or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions.

35. GOVERNING LAW – This Agreement is governed by the credit union's bylaws, federal laws and regulations, the laws, including applicable principles of contract law, and regulations of the state in which the credit union's main office is located, and local clearinghouse rules, as amended from time to time. As permitted by applicable law, you agree that any legal action regarding this Agreement shall be brought in the county in which the credit union is located.

36. NEGATIVE INFORMATION NOTICE – We may report information about your loan, share or deposit accounts to credit bureaus. Late payments, missed payments, or other defaults on your accounts may be reflected in your credit report, as permitted by law.

FUNDS AVAILABILITY POLICY DISCLOSURE

This Disclosure describes your ability to withdraw funds from your accounts at Nuvision Federal Credit Union d/b/a Denali. A division of Nuvision Credit Union (hereinafter "Credit Union"). Please ask us if you have a question about accounts affected by this policy.

1. GENERAL POLICY – Our general policy is to make funds from your cash and check deposits available to you on the first business day after the day that we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to paychecks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before close of business on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after the close of business or on a business day we are not open, we will consider that the deposit was made on the next business day we are open.

2. RESERVATION OF RIGHT TO HOLD – In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day that we receive your deposit. Funds may not be available until the second business day after the day of your deposit. However, generally the first \$200.00 of your deposit will be available on the first business day after the day of your deposit. If we are not going to make all of the funds from your deposit available on the first business day after the day of your deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees or if we decide to take this action after you have left the premises, we will mail you the notice by the first business day after the day we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

3. HOLDS ON OTHER FUNDS – If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this Disclosure for the type of check that you deposited.

4. LONGER DELAYS MAY APPLY – We may delay your ability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000.00 on any one (1) day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six (6) months.
- There is an emergency, such as failure of communications or computer equipment.

5. SPECIAL RULES FOR NEW ACCOUNTS – If you are a new member, the following special rules will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000.00 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks will be available on the same business day that we receive your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,000.00 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000.00 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

(continued)

6. DEPOSITS AT NONPROPRIETARY ATMS – Funds from any deposits (cash or checks) made at automated teller machines (ATMs) we do not own or operate will not be available until the fifth business day after the date of your deposit. This rule does not apply at ATMs that we own or operate. All ATMs that we own or operate are identified as our machines.

7. FOREIGN CHECKS – Checks drawn on financial institutions located outside the U.S. (foreign checks) cannot be processed the same as checks drawn on U.S. financial institutions. Foreign checks are exempt from the policies outlined in this Disclosure. Generally, the availability of funds for deposits of foreign checks will be delayed for the time it takes us to collect the funds from the financial institution upon which it is drawn.

ELECTRONIC FUND TRANSFERS AGREEMENT AND DISCLOSURE

This Electronic Fund Transfers Agreement and Disclosure is the contract which covers your and our rights and responsibilities concerning the electronic fund transfers (EFT) services offered to you by Nuvision Federal Credit Union d/b/a Denali. A division of Nuvision Credit Union (hereinafter "Credit Union"). In this Agreement, the words "you," "your," and "yours" mean those who sign the application or account card as applicants, joint owners, or any authorized users. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one (1) or more savings and checking accounts you have with the Credit Union. Electronic fund transfers are electronically initiated transfers of money from your account through the EFT services described below. By signing an application or account card for EFT services, signing your card, or using any service, each of you, jointly and severally, agree to the terms and conditions in this Agreement and any amendments for the EFT services offered. Furthermore, electronic fund transfers that meet the definition of remittance transfers are governed by 12 C.F.R. part 1005, subpart B—Requirements for remittance transfers, and consequently, terms of this agreement may vary for those types of transactions. A "remittance transfer" is an electronic transfer of funds of more than \$15.00 which is requested by a sender and sent to a designated recipient in a foreign country by a remittance transfer provider. Terms applicable to such transactions may vary from those disclosed herein and will be disclosed to you at the time such services are requested and rendered in accordance with applicable law.

1. EFT SERVICES – If approved, you may conduct any one (1) or more of the EFT services offered by the Credit Union.

a. ATM Card. If approved, you may use your card and personal identification number (PIN) in automated teller machines (ATMs) of the Credit Union, CO-OP, Plus, and STAR networks, and such other machines or facilities as the Credit Union may designate. For ATM transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for ATM overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

At the present time, you may use your card to:

- Make deposits to your savings and checking accounts at owned ATMs or ATMs with the Co-Op deposit logo.
- Withdraw funds from your savings and checking accounts.
- Transfer funds from your savings and checking accounts.
- Obtain balance information for your savings and checking accounts.
- Make point-of-sale (POS) transactions with your card and personal identification number (PIN) to purchase goods or services at POS terminals that carry CO-OP, Plus, and STAR network logo(s).

The following limitations on ATM Card transactions may apply:

- You may make 15 cash withdrawals up to a maximum of \$550.00 in any 24 hour period provided there are sufficient available funds in your account.
- You may make 15 PIN POS transactions up to a maximum of \$1,500.00 in any 24 hour period provided there are sufficient available funds in your account.
- A combined daily total of \$2,050.00 for PIN POS and ATM withdrawals.
- For security purposes, there are other limits on the frequency and amount of transfers available at ATMs.
- You may transfer up to the available balance in your accounts at the time of the transfer.
- See Section 2 for transfer limitations that may apply to these transactions. Because of the servicing schedule and processing time required in ATM operations, there may be a delay between the time a deposit (either cash or check) is made and when it will be available for withdrawal.

b. Debit Card. If approved, you may use your Visa® card to purchase goods and services from participating merchants. However, you

(continued)

may not use your card to initiate any type of electronic gambling transactions through the Internet. If you wish to pay for goods or services over the Internet, you may be required to provide card number security information before you will be permitted to complete the transaction. You agree that you will not use your card for any transaction that is illegal under applicable federal, state, or local law. Funds to cover your card purchases will be deducted from your checking account. For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the Credit Union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges. For other types of transactions, if the balance in your account is not sufficient to pay the transaction amount, the Credit Union may pay the amount and treat the transaction as a request to transfer funds from other deposit accounts, approved overdraft protection accounts, or loan accounts that you have established with the Credit Union. If you initiate a transaction that overdraws your account, you agree to make immediate payment of any overdrafts together with any service charges to the Credit Union. In the event of repeated overdrafts, the Credit Union may terminate all services under this Agreement. You may use your card and personal identification number (PIN) in ATMs of the Credit Union, CO-OP, Plus, and STAR networks, and such other machines or facilities as the Credit Union may designate. In addition, you may use your Visa card without a PIN for certain transactions on the Visa CO-OP, Plus, and STAR networks. However, provisions of this Agreement relating only to Visa debit transactions, such as additional limits on your liability and streamlined error resolution procedures, do not apply to transactions processed through non-Visa networks. To initiate a Visa debit transaction, you may sign a receipt, provide a card number, or swipe or insert your card at a point-of-sale (POS) terminal and choose to route the transaction over a Visa network.

At the present time, you may also use your card to:

- Make deposits to your savings and checking accounts at owned ATMs or ATMs with the Co-Op deposit logo.
- Withdraw funds from your savings and checking accounts.
- Transfer funds from your savings and checking accounts.
- Obtain balance information for your savings and checking accounts.
- Make point-of-sale (POS) transactions with your card and personal identification number (PIN) to purchase goods or services at merchants that accept Visa.
- Order goods or services by mail or telephone from places that accept Visa.

The following limitations on Debit Card transactions may apply:

- You may make a combined total of 15 Debit Card signature-based purchases and/or PIN POS transactions up to a maximum of \$3,000.00 in a 24 hour period provided there are sufficient available funds in your checking account, unless your account is a Young Adult Checking account. If your account is a Young Adult Checking account, you may make a combined total of 15 Debit Card signature-based purchases and/or PIN POS transactions up to a maximum of \$250.00 in a 24 hour period provided there are sufficient available funds in your checking account.
- You may make 15 cash withdrawals up to a maximum of \$550.00 in any 24 hour period from an ATM machine provided there are sufficient available funds in your checking account, unless your account is a Young Adult Checking account. If your account is a Young Adult Checking account, you may make 15 cash withdrawals up to a maximum of \$250.00 in any 24 hour period from an ATM machine provided there are sufficient available funds in your checking account.
- A combined daily total of \$3,550.00 for Debit Card purchases, PIN POS transactions and ATM withdrawals for all checking account types except the Young Adult Checking accounts. If your account is a Young Adult Checking account, a combined total of \$500.00 is available for Debit Card purchases, PIN POS transactions and ATM withdrawals
- For security purposes, there are other limits on the frequency and amount of transfers available at ATMs and POS terminals.

- You may transfer up to the available balance in your accounts at the time of the transfer.
- See Section 2 for transfer limitations that may apply to these transactions.

Card Information Updates and Authorizations. If you have authorized a merchant to bill charges to your card on a recurring basis, it is your responsibility to notify the merchant in the event your card is replaced, your card information (such as card number and expiration date) changes, or the account associated with your card is closed. However, if your card is replaced or card information changes, you authorize us, without obligation on our part, to provide the updated card information to the merchant in order to permit the merchant to bill recurring charges to the card. You authorize us to apply such recurring charges to the card until you notify us that you have revoked authorization for the charges to your card. Your card is automatically enrolled in an information updating service. Through this service, your updated card information (such as card number and expiration date) may be shared with participating merchants to facilitate continued recurring charges. Updates are not guaranteed before your next payment to a merchant is due. You are responsible for making direct payment until recurring charges resume. To revoke your authorization allowing us to provide updated card information to a merchant, please contact us.

c. ABIL (Audio Response Telephone Service). If we approve ABIL (Audio Response Telephone Service) for your accounts, a separate personal identification number (PIN) will be assigned to you. You must use your personal identification number (PIN) along with your account number to access your accounts. At the present time, you may use ABIL (Audio Response Telephone Service) to:

- Request a check withdrawal from your savings, checking, and money market accounts.
- Transfer funds from your savings, checking, money market, club, Line-of-Credit, and HELOC accounts.
- Obtain balance information for all accounts.
- Make loan payments from your savings, checking, money market, and sub savings accounts.
- Determine if a particular item has cleared.
- Obtain tax information on amounts earned on savings and checking accounts or interest paid on loan accounts.

We cannot guarantee the time that any payment will be credited to your account by the vendor. There is no limit on the number of bill payments per day.

2. TRANSFER LIMITATIONS – For all accounts except checking accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed.

3. CONDITIONS OF EFT SERVICES –

- a. Ownership of Cards.** Any card or other device which we supply to you is our property and must be returned to us, or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the card, immediately according to instructions. The card may be repossessed at any time at our sole discretion without demand or notice. You cannot transfer your card or account to another person.
- b. Honoring the Card.** Neither we nor merchants authorized to honor the card will be responsible for the failure or refusal to honor the card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your account in lieu of a cash refund.
- c. Foreign Transactions.**

Visa. Purchases and cash withdrawals made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives or the government-mandated rate in effect for the applicable central processing date. The exchange rate used on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date. A fee of 1.00% of the amount of the transaction, calculated in U.S. dollars, will be imposed on all multiple

(continued)

currency foreign transactions, including purchases, cash withdrawals and credits to your account.

A fee of 0.80% of the amount of the transaction, calculated in U.S. dollars, will be imposed on all single currency foreign transactions, including purchases, cash withdrawals and credits to your account. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the United States, with the exception of U.S. military bases, U.S. territories, U.S. embassies or U.S. consulates.

d. Security of Access Code. You may use one (1) or more access codes with your electronic fund transfers. The access codes issued to you are for your security purposes. Any access codes issued to you are confidential and should not be disclosed to third parties or recorded on or with the card. You are responsible for safekeeping your access codes. You agree not to disclose or otherwise make your access codes available to anyone not authorized to sign on your accounts. If you authorize anyone to use your access codes, that authority shall continue until you specifically revoke such authority by notifying the Credit Union. You understand that any joint owner you authorize to use an access code may withdraw or transfer funds from any of your accounts. If you fail to maintain the security of these access codes and the Credit Union suffers a loss, we may terminate your EFT services immediately.

e. Joint Accounts. If any of your accounts accessed under this Agreement are joint accounts, all joint owners, including any authorized users, shall be bound by this Agreement and, alone and together, shall be responsible for all EFT transactions to or from any savings and checking or loan accounts as provided in this Agreement. Each joint account owner, without the consent of any other account owner, may, and is hereby authorized by every other joint account owner, make any transaction permitted under this Agreement. Each joint account owner is authorized to act for the other account owners, and the Credit Union may accept orders and instructions regarding any EFT transaction on any account from any joint account owner.

4. FEES AND CHARGES – There are certain fees and charges for EFT services. For a current listing of all applicable fees, see our current Schedule of Fees and Charges that was provided to you at the time you applied for or requested these electronic services. From time to time, the charges may be changed. We will notify you of any changes as required by applicable law. If you use an ATM not operated by us, you may be charged a fee by the ATM operator and by any international, national, regional, or local network used in processing the transaction (and you may be charged a fee for a balance inquiry even if you do not complete a funds transfer). The ATM surcharge will be debited from your account if you elect to complete the transaction or continue with the balance inquiry.

5. MEMBER LIABILITY – You are responsible for all transactions you authorize using your EFT services under this Agreement. If you permit someone else to use an EFT service, your card or your access code, you are responsible for any transactions they authorize or conduct on any of your accounts. TELL US AT ONCE if you believe your card or access code has been lost or stolen, if you believe someone has used your card or access code or otherwise accessed your accounts without your authority, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line-of-credit). If a transaction was made with your card or card number without your permission and was a Visa transaction, you will have no liability for the transaction, unless you were fraudulent or negligent in the handling of your account or card. For all other EFT transactions involving your card or access code, including if you were negligent in the handling of your account or card, your liability for an unauthorized transaction is determined as follows. If you tell us within two (2) business days after you learn of the loss or theft of your card or access code, you can lose no more than \$50.00 if someone used your card or access code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or access code and we can prove we could have stopped someone from using your card or access code without your permission if you had told us, you could lose as much as \$500.00. Also, if your statement shows transfers that you did not make including those made by card, access code or other means, TELL US AT ONCE. If you do not tell us within 60 days after the statement was mailed to you, you may not

get back any money lost after the 60 days if we can prove that we could have stopped someone from making the transfers if you had told us in time. If a good reason (such as a hospital stay) kept you from telling us, we will extend the time periods. If you believe your card or access code has been lost or stolen or that someone has transferred or may transfer money from your accounts without your permission, call:

800-764-1123

or write to:

Denali. A division of Nuvision Credit Union
440 E. 36th Ave.
Anchorage, AK 99503

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

6. RIGHT TO RECEIVE DOCUMENTATION –

a. Periodic Statements. Transfers and withdrawals made through any ATM or POS terminal, debit card transactions, audio response transactions, preauthorized EFTs, online/PC transactions, mobile access device transactions or bill payments you make will be recorded on your periodic statement. You will receive a statement monthly unless there is no transaction in a particular month. In any case, you will receive a statement at least quarterly.

b. Terminal Receipt. You can get a receipt at the time you make any transaction (except inquiries) involving your account using an ATM and/or point-of-sale (POS) terminal.

c. Direct Deposit. If you have arranged to have a direct deposit made to your account at least once every 60 days from the same source and you do not receive a receipt (such as a pay stub), you can find out whether or not the deposit has been made by calling or 800-764-1123. This does not apply to transactions occurring outside the United States.

7. ACCOUNT INFORMATION DISCLOSURE – We will disclose information to third parties about your account or the transfers you make:

- As necessary to complete transfers;
- To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant;
- If your account is eligible for emergency cash and/or emergency card replacement services and you request such services, you agree that we may provide personal information about you and your account that is necessary to provide you with the requested service(s);
- To comply with government agency or court orders; or
- If you give us your written permission.

8. BUSINESS DAYS – Our business days are Monday through Friday, excluding holidays.

9. CREDIT UNION LIABILITY FOR FAILURE TO MAKE TRANSFERS – If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages. However, we will not be liable for direct or consequential damages in the following events:

- If, through no fault of ours, there is not enough money in your accounts to complete the transaction, if any funds in your accounts necessary to complete the transaction are held as uncollected funds pursuant to our Funds Availability Policy Disclosure, or if the transaction involves a loan request exceeding your credit limit.
- If you used your card or access code in an incorrect manner.
- If the ATM where you are making the transfer does not have enough cash.
- If the ATM was not working properly and you knew about the problem when you started the transaction.
- If circumstances beyond our control (such as fire, flood, or power failure) prevent the transaction.
- If the money in your account is subject to legal process or other claim.
- If funds in your account are pledged as collateral or frozen because of a delinquent loan.

(continued)

- If the error was caused by a system of any participating ATM network.
- If the electronic transfer is not completed as a result of your willful or negligent use of your card, access code, or any EFT facility for making such transfers.
- If the telephone or computer equipment you use to conduct audio response, online/PC, or mobile banking transactions is not working properly and you know or should have known about the breakdown when you started the transaction.
- If you have bill payment services, we can only confirm the amount, the participating merchant, and date of the bill payment transfer made by the Credit Union. For any other error or question you have involving the billing statement of the participating merchant, you must contact the merchant directly. We are not responsible for investigating such errors.
- Any other exceptions as established by the Credit Union.

10. NOTICES – All notices from us will be effective when we have mailed them or delivered them to the appropriate address in the Credit Union's records. Notices from you will be effective when received by the Credit Union at the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least 21 days before the effective date of any change. Use of this service is subject to existing regulations governing the Credit Union account and any future changes to those regulations. The following information is a list of safety precautions regarding the use of ATMs and night deposit facilities:

- Be aware of your surroundings, particularly at night.
- Consider having someone accompany you when the ATM or night deposit facility is used after dark.
- Close the entry door of any ATM facility equipped with a door.
- If another person is uncomfortably close to you at the time of your transaction, ask the person to step back before you complete your transaction. If it is after the regular hours of the financial institution and you are using an ATM, do not permit entrance to any person you do not know.
- Refrain from displaying your cash at the ATM or night deposit facility. As soon as your transaction is completed, place your money in your purse or wallet. Count the cash later in the safety of your car or home.
- If you notice anything suspicious at the ATM or night deposit facility, consider using another ATM or night deposit facility or coming back later. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, take your card or deposit envelope, and leave.
- If you are followed after making a transaction, go to the nearest public area where people are located.
- Do not write your personal identification number (PIN) or access code on your ATM card.
- Report all crimes to law enforcement officials immediately. If emergency assistance is needed, call the police from the nearest available public telephone.

11. BILLING ERRORS – In case of errors or questions about electronic fund transfers from your savings and checking accounts or if you need more information about a transfer on the statement or receipt, telephone us at the following number or send us a written notice to the following address as soon as you can. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem appears.

Call us at:

800-764-1123

or write to:

Denali. A division of Nuvison Credit Union
440 E. 36th Ave.
Anchorage, AK 99503

- Tell us your name and account number.
- Describe the electronic transfer you are unsure about and explain, as clearly as you can, why you believe the Credit Union has made an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error has occurred within ten (10)* business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45** days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10)* business days for the amount you think is in error so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

* If you give notice of an error within 30 days after you make the first deposit to your account, we will have 20 business days instead of ten (10) business days to investigate the error.

** If you give notice of an error within 30 days after you make the first deposit to your account, notice of an error involving a point-of-sale (POS) transaction, or notice of an error involving a transaction initiated outside the U.S., its possessions and territories, we will have 90 days instead of 45 days to investigate the error.

NOTE: If the error you assert is an unauthorized Visa transaction, other than a cash disbursement at an ATM, we will credit your account within five (5) business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit within ten (10) business days.

12. TERMINATION OF EFT SERVICES – You may terminate this Agreement or any EFT service under this Agreement at any time by notifying us in writing and stopping your use of your card and any access code. You must return all cards to the Credit Union. You also agree to notify any participating merchants that authority to make bill payment transfers has been revoked. We may also terminate this Agreement at any time by notifying you orally or in writing. If we terminate this Agreement, we may notify any participating merchants making preauthorized debits or credits to any of your accounts that this Agreement has been terminated and that we will not accept any further preauthorized transaction instructions. We may also program our computer not to accept your card or access code for any EFT service. Whether you or the Credit Union terminates this Agreement, the termination shall not affect your obligations under this Agreement for any electronic transactions made prior to termination.

13. GOVERNING LAW – This Agreement is governed by the bylaws of the Credit Union, federal laws and regulations, the laws and regulations of the state of California, and local clearinghouse rules, as amended from time to time. Any disputes regarding this Agreement shall be subject to the jurisdiction of the court of the county in which the Credit Union is located.

14. ENFORCEMENT – You are liable to us for any losses, costs or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions.
